

## NORMALITIES WORK WELL ON THERE TRIP

### Hardest Game of the Schedule Will be Played at Marietta Tonight.

What is expected to be the hardest game on the Normal basketball schedule will be played at Marietta, O., this evening with the strong Marietta college team. Marietta has twice defeated West Virginia University; once at Marietta and once at Morgantown. They defeated U. at Marietta by one point and at Morgantown by two points.

Yesterday evening the Normal played Salem college, defeating them by a 22-16 score. At the end of the first half the score stood 13-12 in favor of Fairmont. Salem played a much better game against the visitors than they did last week when they were here. The score and line-up for last night's game follows:

Normal 32	Salem 16
Knight	Forward
Hamilton	Forward
Jeffrey	Forward
Hill	Center
Frame	Guard
	Roach

Substitutions: Williams for Ingram, Randolph for Bond, Bond for Roach.  
Field baskets—Fairmont: Knight, 3; Hamilton, 2; Jeffrey, 4; Hill, 2; Salem: Ingram, 2; Bond, 2; Ford, 5.  
Foul baskets—Normal: Knight, 4 out 6.

## AMERICAN LEAGUE SCHEDULE IS OUT

### Season Will Open One Day Earlier Than Opening in West.

CHICAGO, Feb. 15.—As usual 154 games will be played in the American League in the coming season, according to the official schedule announced here. The season will open in the East, April 15, one day prior to the opening in the West. In the initial games Philadelphia will meet Boston at the Forbes' field, while New York will cross bats with Washington in the Capital city. The western opening the next day will see St. Louis in Chicago against the World's Champions, while Detroit is scheduled to play in Cleveland. The season will close Oct. 5.

There will be only three conflicting dates with the National League and all these will be in Chicago. Cleveland will be the opponent of the World's Champions on all three occasions—June 23, Aug. 31 and Sept. 1.

Cleveland has been awarded the greatest number of Sunday games—fourteen. Chicago, St. Louis, Philadelphia and Boston have been given thirteen Saturdays each. Independence day games will be played in Chicago, Cleveland, Washington and Philadelphia. The Labor Day's program calls for games in St. Louis, Detroit, Washington and New York, while Decoration Day there will be games at Detroit, Cleveland, New York and Boston. New York will play two games at Boston on Bunker Hill Day, April 19.

## HIGH SCHOOL SCRUBS WILL PLAY TONIGHT

### Clarksburg Five to Oppose Fairmont on Miller School Floor.

The High school second team will meet the Washington-Irving High school Scrubs of Clarksburg in a basketball game at the Miller school gymnasium this evening. It will be the first game that the local team has played before a Fairmont crowd and they will make every effort to do themselves justice.

When the Fairmont Scrubs went to Clarksburg a few weeks ago they were defeated by a big score. On the same night Fairmont High played Huntington High in Fairmont, making it impossible to take several of the better substitutes to Clarksburg. On the other hand Clarksburg did not play that night and sent their very best second string team into the game. But one of the Fairmont substitutes is at Clarksburg today, giving Coach Carpenter a much better selection for the game tonight. The Scrubs have many followers who will be on hand to see the game tonight.

## HORSES WANTED

I will be at A. J. Reynold's livery barn on Jackson street, Fairmont, W. Va. on Tuesday, February 19, 1918, to buy a carload of horses. Weight 1000 to 1300 pounds, and from 15 to 16 hands high, from 5 to 10 years old. One day only, rain or shine.

B. L. WARNER.

## TURKOVICH F.I.S. BASEBALL PILOT

### Prospects for a Successful Diamond Season Are Very Good.

Matthew Turkovich is captain of the 1918 baseball team that will represent the Fairmont High school. He was selected at a recent meeting of the 1917 squad. Turkovich has been playing third base on the High school baseball team for four years, making the team when he was a freshman.

Last year Fairmont High school had one of the best baseball teams in the history of the school, winning the championship of the Monongahela Valley High School league. The prospects for a championship team again this year are especially encouraging, as only a few of last years team have graduated.

For the mound position the team has both of last year's twirlers in Hess and Curtis. For the backstop position there is Hamilton and "Fuzzie" Knight, both of last year's team. Mills, last year playing shortstop, is again in school and will be on the job to fill this position. At second base there will be Clark Brown, who played the key position about half of the time last year. Turkovich will take care of third base.

The three outfielders of last year's team have all graduated, Meredith, Fleming and Ice, as well as Knight, who played first base. It will be necessary to get four new recruits to fill these positions and the team will be as good as it was last year.

## Fairmont High at Buckhannon Tonight

The Fairmont high school basketball team will leave this afternoon for Buckhannon where this evening they will play the strong Buckhannon high school team, the team which many predict will be the winner of the annual high school tournament. The Fairmont team is not over-confident, due to the fact that they were defeated on their home floor by the same team. At any rate they will do their best to give the Buckhannon lads a

## FINANCE OIL AND GAS

### New York

NEW YORK, Feb. 15.—Railroad shares lifted yesterday's dull market out of its early rut, the first half of the session reflecting considerable price irregularity, notably in industrials, equipments and specialties.

The movement in rails was stimulated by the relatively favorable December statements of the Union Pacific and Southern Pacific roads, both showing net gains and the re-establishment of the Union Pacific to its former 10 per cent dividend rate.

General news of the day was seemingly without effect, suspension of future headless Mondays having been discounted. The government's proposals to control all coastwise shipping and acquire terminal facilities at Atlantic ports were equally without influence as market factors.

### Oil and Gas.

The West Virginia fields report very few completions. On the Little Kanawha River, Sherman district, Calhoun county, the Hope Natural Gas Company has completed and put to pumping its No. 4 on the T J Brake farm. It is producing five barrels a day. In the same district the same company's second test on the Laura V Ash farm is due in the sand. The rig for a test, on the S Gainer farm has been completed and started to drill. In Grant district, Cabell county, the Harshbarger Oil and Gas Company is due in the sand at No. 4, the only well drilling in this county, on the J W Kilgore farm.

In Spencer district, Roane county, the Carter Oil Company is due in the sand at No. 3 on the Frank H Simmons farm. In the same district the Fisher Oil Company has the rig completed for No. 3 on the J K Knight farm. The Ohio Fuel Oil Company is down 2,000 feet at No. 1 on the C Taylor 900-acre tract and is fishing for a string of tools. The Citizens Oil Company is drilling in the sand at a test on the M M Greenleaf farm.

good game, keeping the score as low as possible.

The team which played Buckhannon here will likely start the game tonight. The following players will make the trip: Binns, Hess, Mills, Hill, Sarsfield and Johnson.

The Great Corn-Loosener of the Age. Never Fails. Painless.

Watch my step! What's the use! I go along right side up without care, even with corns, because I use "Gets-It," the painless, off-like-banana-peel corn remover. I tried other ways galore, until I was blue

Corns Simply Can't Stopus. We use "Gets-It" in the face and red in the toes. No more for me. Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It" and "Gets-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clean and smooth, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It." ### Pittsburgh

PITTSBURGH, Feb. 15.—On the Pittsburgh stock exchange dealings were smaller and the price range narrower. The only active stock was Ohio Fuel Supply, which sold within the range of 42½ to 43½ and closed at the lowest, a loss of 1½ for the day. Manufacturers Light & Heat was a shade firmer, and the other members of this group were unchanged.

American Window Glass Machine common declined from 52½ to 51 and closed at 50½ bid. The preferred stock was lower at 78. Westinghouse Air Brake was ½ lower at 95. Pittsburgh Coal was firm, advancing to and closing at 49½, following the movement in New York, where the stock sold at 50½. Consolidated Ice common sold at 2, a loss of ½ and a new low record. Mining shares were less active and closed unchanged.
